Employability

Internationalisation

Academic Development

Online Learning

Master of  
Business Administration

Social Responsibility

Inclusiveness

Degree in Administration (UG)

Professional Master's  
in Business Management

**QS STARS**

The QS Stars™ rating system is operated by the QS Intelligence Unit, the independent compiler of the QS World University Rankings® since 2004. The system evaluates universities across a wide range of important performance indicators as set against pre-established international standards. By covering a broader range of criteria than any world ranking exercise, QS Stars™ shines a light on both the excellence and the diversity of the rated institution.
